UX Flow (Standalone, Non-PII Version)

Global Header (Visible Throughout Section 1)

Top banner shows:

- Session ID
- Application Date (locked)
- Estimated Closing Date (locked)
- Credit Report "As Of" Date (locked from S0)
- Number of Applicants
- Section Progress: S1 • S2 • S3 • S4 • S5

If any fatal issue detected:

“Progression Gated – Condition Required”

Screen 1 — Credit Report Inventory [This screen should be populated only at initial stage]

Purpose

Establish context before any JO runs.

Title:

Credit Report Inventory

Prompt 1:

“How many credit reports are indexed in the file?”

Options:

- 1
- 2
- 3+

(If 3+, dynamically add CR-3, CR-4 entries)

For each Credit Report (CR-1, CR-2…)

Operator fills for each credit report:

- Borrower Slot:
  - B1
  - B2
  - Joint
- Credit Report Update Date (Date Picker) for each credit report.
- Credit expiration date to be calculated (Update date+ 120 days)
- Repositories Present:

  ☐ Equifax

  ☐ Experian

  ☐ TransUnion

System auto-calculates:

Repository Count

Button:

Continue

Engine After Screen 1:

If **report** count > 1 → Trigger 1.5

Else → Skip to 1.3

Screen 2 — 1.5 Multiple Credit Reports(Conditional) [This screen should be populated only at initial stage]

(Shown only if report count > 1)

Title:

Multiple Credit Reports Detected

Prompt:

"Select the credit report to be used for qualification."

Radio options:

- CR-1 with Borrower name(B1) (Update Date: XX/XX/XXXX)
- CR-2 with Borrower name(Update Date: XX/XX/XXXX)
- CR-3 with Borrower name(if exists)

Required Operator Action:

Select all those credit reports which are applicable/used.

System Note (helper text):

"Ensure the most recent qualifying credit report is selected."

Button:

Confirm Active Credit Report

Engine:

- Mark other reports as “To be moved to junk”
- Log alert (if applicable)
- Proceed to 1.3

Screen 3 — 1.3 Repository Sufficiency

(Active report only)

Title:

Repository Coverage Check

System displays:
“Active Credit Report: CR-X”
“Repositories Present: EQ / EX / TU”

Decision:

If repository_count < 3:

Prompt:
“Is a bi-merged credit report acceptable for this loan per client policy?”

Options:

- Yes
- No

If Yes → Alert resolved and banner appears as per Branch 1
If No → Condition Required banner appears as per Branch 2

(checkbox to confirm condition added)

If repository count = 3:
Skip question → auto-resolve

Button:

Continue

Screen 4 — 1.1 Credit Report Validity

Title:

Credit Report Validity

Prompt 1:

“Is the credit report a Hard Pull or Soft Pull?”

Options:

- Hard Pull
- Soft Pull

If Soft Pull:
Condition Required banner appears as per Branch 1 and proceed to Prompt 2

If Hard Pull:

No concern and Proceed to Prompt 2

Prompt 2:

“Does the credit report expiration date cover the Estimated Closing Date?”

System auto-compares:
Expiration Date vs ECD

If expiration >ECD:

No action is needed, and screen 5 appears.

If expiration < ECD:
Condition Required banner appears as per Branch 2 and screen 5 appears

Button:

Continue

Screen 5 — 1.2 Source & Request Integrity

Title:

Credit Report Source & Request Integrity

Prompt Group A — Agency Information

“Are the following details present on the credit report?”

- Agency Name present? (Y/N)
- Agency Address present? (Y/N)
- Agency Phone present? (Y/N)
- Lender Name present? (Y/N)
- If all Yes: Prompt Group B appears
- If any No:
  Condition ((Not Operator-Resolvable) required banner appears as per Branch 1

Prompt Group B — Requested By

“Requested By Role”

Dropdown:

- Loan Officer
- Loan Processor
- Borrower
- Other

Prompt:
“Does the Requested By last name match the borrower last name?”

Options:

- Yes

- No
- Unable to determine

If:
Requested By = Borrower
OR Last name matches borrower →

Condition (Not Operator resolvable) required banner appears as per Branch 2

Else Prompt 3 Group C appears.

Prompt 3 Group C:

Is below details matches with LOS:

Loan Number matches with LOS? (Y/N)

- If yes: screen 6 (1.4) appears
- If No:
  Condition ((Not Operator-Resolvable) required banner appears as per Branch 3 and screen 6(1.4) appears

Button:

Continue

Screen 6 — 1.4 System Alignment (LOS / AUS)

Title:

System Alignment Review

Prompt 1:

“Enter AUS Credit Report Date” 1/10/2026
(Date Picker)

System compares:
AUS Date vs Credit Update Date 1/1/2026

Prompt 2:

“Does LOS Credit Reference id align with Active Credit Report?”

Options:

- **Yes**
- No

Prompt 3:

“Does AUS Credit Reference id align with Active Credit Report?”

Options:

- Yes
- **No**

If Matches: No concern and section 1 complete.

If mismatch:
Branch logic activates:

- Case A: Credit newer than AUS → Alert + Required Actions as per Branch 1 and section 1 complete.
  Case B: AUS newer + Matching credit report available= Y/N
  → If Yes go as per Branch 2 and section 1 complete.
  If No, go as as per Branch 3 and section 1 complete.

Button:

Complete Section 1

Final Screen — Section 1 Summary

System displays:

Alerts (Yellow)

- Missing agency info
- Bi-merge acceptance required
- Alignment requires update

Conditions (Red)

- Soft Pull
- Expired Report
- Tri-merge not acceptable
- Alignment missing report

Each with:

- Locked condition text (placeholders only)
- “Copy to LOS” button
- “Mark Condition Raised” checkbox
- “Escalation Required” checklist if applicable

Section Completion Rules

Section 1 marked Complete only when:

- Active credit report selected
- All prompts answered
- Required conditions marked as raised
- Mandatory escalations confirmed

If fatal issue exists:
Banner:
“Section Complete – File Progression Gated”

If clean:
“Section 1 Cleared – Proceed to Section 2”

SECTION 2 — Borrower Identity & File Association

We’ll build this in three micro-judgments:

1. 2.1 Core Identity Consistency

2. 2.2 Current Address Consistency
3. 2.3 Previous Address Consistency

Global Banner (still visible)

- Application Date
- Estimated Closing Date
- Active Credit Report: CR-X
- Borrower Slot: B1 / B2
- Section 2 Progress: 2.1 → 2.2 → 2.3

Screen 1 — 2.1 Core Identity Consistency
Title:

Borrower Core Identity Verification

Prompt Group A —

Prompt 1: Borrower First and Last Name

"Does the borrower First/last name on the credit report match the borrower's first/last name on the loan application?"

Options:

- Matches
- Does Not Match
- Missing

If Matches → Prompt 2 appears

If Does Not Match or Missing → Condition Required as per outcome A (Condition) and proceed to prompt 2.

Prompt 2: Borrower Middle Name:

"Does the borrower Middle Name on the credit report match the borrower's Middle Name on the loan application?"

Options:

- Matches
- Does Not Match
- Missing

If Matches → Prompt 3 appears

If Does Not Match or Missing → Alert appears as per outcome A (alert) and prompt 3 appears.

Prompt 3: Borrower Suffix:

"Does the borrower suffix on the credit report match the borrower's suffix on the loan application?"

Options:

- Matches
- Does Not Match
- Missing

If Matches → Prompt Group B appears

If Does Not Match→ Condition appears as per outcome A (Condition) and Prompt Group B

If Missing → Alert appears as per outcome A (alert) and Prompt Group B

Prompt Group B — SSN

"Is SSN, if displayed on the credit report, matches with the loan application?"

Options:

- Matches
- Does Not match
- Missing

If Matches → Prompt Group C appears

If Does Not Match or Missing → Condition appears as per Outcome A (condition)

Prompt Group C — Date of Birth

"Does Date of Birth on the credit report match the loan application?"

Options:

- Matches
- Does Not match
- Missing

If Matches → Prompt Group D appears

If does not match or missing → Condition appears as per Outcome B (Condition) and prompt Group D appears.

Prompt Group D — Additional / AKA SSN

"Is any additional or AKA SSN reflected on the credit report?"

Options:

- No
- Yes – does not match borrower SSN

If Yes → Condition appears as per outcome C (condition) and screen 2.2 appears

If No: Screen 2.2 appears

Engine Behavior

If:

- Name mismatch OR missing → Condition
- SSN mismatch → Condition
- AKA SSN → Condition
- DOB mismatch only → Condition

Screen Output Panel

Shows:

Conditions:

- Locked text (placeholders only)
- “Mark Condition Raised” checkbox

Alerts:

- Locked text
- “Mark Alert Raised” checkbox

Completion Rule:

- Section 2 progression allowed ONLY if:
    - No fatal identity condition exists
    - OR Condition has been marked as raised

Screen 2 — 2.2 Current Address Consistency

Title:

Current Address Verification

Prompt:
“Does the borrower’s current address on the credit report match the loan application?”

Options:

- Matches
- Does not match
- Missing

If does not match → Condition appears as per Condition: Mismatch and screen 2.3 appears

Missing → Condition appears as per Condition: Missing and 2.3 appears.

If Matches → Screen 2.3 appears

Output Panel

If mismatch:
Condition text (with placeholders only)
“Credit report reflects borrower’s current address as [[Address on Credit Report]]...”

Operator fills the real address in LOS — the system does not store it.

Completion:

- Must mark condition raised to proceed.

Screen 3 — 2.3 Previous Address Consistency

Title:

Previous Address Verification

Prompt 1:
“Is a previous address reflected on the credit report?”

Options:

- Yes
- No

If No → Skip to Section Complete

If Yes: Prompt 2 appears

Prompt 2:
“Does the previous address match the previous address on loan application?”

Options:

- Yes
- No

If No: Prompt 3 appears

If Yes→ Skip to Section Complete

Prompt 3:
“Per lender requirement, is an updated credit report required for previous address mismatch?”

Options:

- Yes
- No

If Yes → Condition as appears in guide and screen 3.1 appears
If No → Screen 3.1 appears

Final Screen — Section 2 Summary

Displays:

Identity Conditions (Red)
Address Conditions (Red)
Alerts (Yellow)

Clear banners:

If fatal identity mismatch:
“Do Not Proceed with Further Credit Analysis for this Borrower”

If clean:
“Borrower Identity Cleared – Proceed to Section 3”

SECTION 3 — Borrower Credit Score’

We’ll build this in three micro-judgments:

1. 3.1 Credit Score Availability & Freeze Handling
2. 3.2 Qualifying Credit Score Determination
3. 3.3 Median Credit Score & Minimum Requirement

Global Banner (still visible)

- Application Date
- Estimated Closing Date
- Active Credit Report: CR-X
- Borrower Slot: B1 / B2

- Section 2 Progress: 3.1 → 3.2 → 3.3

Screen 1 — 3.1 Credit Score Availability & Freeze Handling

Title:

Credit score availability

Prompt 1:

Is credit freeze noted on credit report for this borrower?

- Yes
- No

Prompt 2:

Does credit report reflect scores from at least 2 bureaus?

- Yes
- No

Once above prompt is answered; operator will get below output in bold:

- If answer to prompt 1 and 2 is Yes, **no action required and proceed to screen 2 (3.2)**
- If answer to prompt 1 and 2 is No, **prompt 3 will appear**.
- If answer to prompt 1 is yes and Prompt 2 is No, **then condition required banner appears based on Branch A**
- If answer to prompt 1 is No and Prompt 2 is Yes, **no action required and proceed to screen 2 (3.2)**

Prompt 3:

Does credit report reflect 1 score for either borrower/co-borrower?

- Yes
- No

If answer to prompt 3 is yes, proceed to screen 2(3.2)

If answer to prompt 3 is No, then alert appears based on Branch B

Operator then check the availability of non-traditional credit report/credit supplement and will resolve the alert and next prompt will be generated:

Prompt 4:

Check if AUS requires non-traditional credit history?

- Yes
- No

If Yes, go to next prompt

If No, exit and move to screen 3.2

Prompt 5:

"Is non-traditional credit history validated by DU" or "if DU indicates that third-party asset verification may satisfy requirements"?

- Yes
- No

If No, next prompt will appear.

If Yes, exit and move to screen 3.2

Prompt 6:

Check if the most recent Non-Traditional Credit Report / Credit Supplement/other documents are Available?

- Yes
- No

If yes, the next prompt will appear.

Prompt 7:

Check all the below documents which are available?

- ❑ Non-Traditional Credit report
- ❑ Credit Supplement
- ❑ Cancelled check
- ❑ VOR
- ❑ Electricity bill/Water Bill/Other Bill

As per the documentation available, a validation checklist should be popped out as appears in step 3.

Operator to fill the checklist as below if applicable and click on continue:

Credit Supplement/Non-Traditional credit report is available

- ❑ Borrower name, SSN, and current address is missing or mismatch with LOS
- ❑ At least 2 non-traditional tradelines are not present
- ❑ At least one housing expense and one non-housing expense are not included
- ❑ Tradelines does not reflect 12 months of history
- ❑ Delinquencies are reflected in last 12 months

If cancelled check Available:

- ❑ The borrower's name is not the payor.
- ❑ Consecutive 12 months of cancelled check is not available.
- ❑ Delinquencies have been reflected in the last 12 months' cancelled check.
- ❑ Payee name is not the landlord's name

If VOR Available:

- ❑ The borrower's name is not the Tenant name.
- ❑ Recent 12 months of history is not available.
- ❑ Delinquencies have been reflected in the last 12 months.
- ❑ Landlord name is not present and cannot be verified.
- ❑ VOR is not properly executed and filled out.
- ❑ Discrepant information is present

If electricity bill/ water bill or another bill available:

- ❑ The borrower's name is not present on the bill.
- ❑ Recent 12 months of borrower history is not available.
- ❑ Delinquencies have been reflected in the last 12 months.
- ❑ Company name is not present and cannot be verified.
- ❑ Discrepant information is present

If the checklist is not filled→ Proceed to 3.2 as non-traditional credit requirement is satisfied.

If the checklist is filled for any discrepancy and continued→ Condition appears as per Branch B (Option 1) and screen 2 appears

If answer to Prompt 6 is NO, condition appears as per Branch B (Option 2)

Screen 2— 3.2 Qualifying Credit Score Determination

Title:

Qualifying credit Score

System displays:
"Active Credit Report: CR-X"
"Repositories Present: EQ / EX / TU"

Prompt 1:

Number of borrowers on the credit report?

- 1
- 2

If selected as 1, then prompt 2 will appear.

If selected as 2, then prompts 2 and 3 will appear sequentially.

Prompt 2:

For Borrower, how many scores are available?

- 1
- 2
- 3

Prompt 3:

For Co-Borrower, how many scores are available?

- 1
- 2
- 3

Operator manually enters below:

Scores for Borrower: SC1, SC2, SC3

Scores for Co-Borrower (if applicable): SC1, SC2, SC3

Click Continue and should calculate score for each borrower:

In case of 3 scores:

Middle score will appear (To be reflected for each borrower)

In case of 2 scores:

Lowest score will appear (To be reflected for each borrower)

In case of 1 score:

The same score will appear (To be reflected for each borrower)

Button:

Continue

Screen 3— 3.3 Median Credit Score & Minimum Requirement

Title:

Median Credit Score & Minimum Requirement

System displays:

Credit Score (Borrower) and Credit Score (Co-borrower)

Prompt 1:

Moved to last screen

SECTION 4 — Credit Report Tradeline Validation Rules

We'll build this in micro-judgments:

1. 4.1 Tradeline Structural Alignment
2. 4.2 Missing Tradeline Payment Handling
3. 4.3 Collection Account Handling
4. 4.4 Disputed Account Handling
5. 4.5 Excluded / Omitted Tradeline Validation
6. 4.6 Utility / Self-Reported / Telecom Account Handling
7. 4.7 Payment History Recency Validation
8. 4.8 Delinquency & 30/60/90 Late Handling
9. 4.9 Authorized User Account Handling
10. 4.11 Past Due Account Handling
11. 4.12 Liability Being Paid Off Handling

Global Banner (still visible)

- Application Date
- Estimated Closing Date
- Active Credit Report: CR-X
- Borrower Slot: B1 / B2

Section 4 Progress: 4.1 → 4.2 → 4.3→ 4.4 → 4.5→ 4.6 → 4.7→ 4.8 → 4.9→ 4.10 → 4.11→ 4.12

Screen 1— 4.1 Tradeline Structural Alignment

Title:

Tradeline Structure Alignment

Purpose:

Operator manually reconciles LOS vs Credit report.

Prompt 1:

Are Tradeline count on LOS > tradeline count on credit report?

- Yes

- No

Yes → Condition appears based on branch 1

No → Proceed to next prompt

Prompt 2:

Is Tradeline count on Credit Report> tradeline count on LOS?

- Yes
- No

Yes → Update LOS based on credit report.

No → Proceed to next prompt

Prompt 3:

Do all the tradeline fields match between credit report and LOS (Creditor name, account number, account type, ownership, outstanding balance, monthly payment, ECOA)?

- Matches
- Mismatch

If Matches → No action required

If Mismatches → Update LOS based on credit report.

Operator to continue to next screen once corrective action is completed.

Screen 2— 4.2 Missing Tradeline Payment Handling

Title:

Missing tradeline Payment Handling

Prompt 1:

Does all tradelines reflect payment?

- Yes
- No

If yes; no concern and exit to screen 4.3

If no, the next prompt will appear.

Prompt 2:

Which account does not have a payment?

- ❑ Revolving
- ❑ Installment
- ❑ Student loan

If Revolving: Consider 5% of the outstanding balance or $10, whichever is higher and proceed to OK.

If Installment: Below pop up will appear for operator to fill

Creditor Name:

Account Number:

Once filled, then Condition appears as per Branch 2 and proceeds to OK (pop up window will disappear).

If Student loan: Prompt 2a will appear

Prompt 2a:

Is this a FNMA loan or FHLMC loan?

- FNMA
- FHLMC

If FHLMC: Update LOS appears based on Branch 3 and proceed to next screen 4.3

If FNMA: Update LOS appears based on Branch 4 and proceed to next screen 4.3

Commented [RS1]: Should this be 4.3?

Commented [TS2R1]: updated

Screen 3— 4.3 Collection Account Handling

Title:

Collection Account Handling

Prompt 1:

Does credit report reflect any collection account?

- Yes
- No

If no, exit and proceed to screen 4.4

If yes, Prompt 2 will appear.

Prompt 2:

Is a collection account a medical or non-medical collection?

- Medical
- Non-Medical

If Medical: No action required and move to screen 4.4

If non-medical:

Operator to manually fill the below details:

Individual collection balance:

Cumulative Collection balance:

Occupancy:

Unit:

Account Name:

Account Number:

Once operator fills it and continues; then below output will appear based on the above data selection:

If Primary residence and Unit is 1 (irrespective of the balance): No concern and proceed to screen 4.4

If primary residence, Unit is 2-4 and cumulative collection balance is <$5000 (Irrespective of the individual balance amount): No concern and proceed to screen 4.4

If primary residence Unit is 2-4 and cumulative collection balance is >$5000 (Irrespective of the individual balance amount): Condition appears as per Branch 4 and account name/account number will be updated

If Second Home, Unit is 1 and cumulative collection balance is <$5000 (Irrespective of the individual balance amount): No concern and proceed to screen 4.4

If Second Home, Unit is 1 and cumulative collection balance is >$5000 (Irrespective of the individual balance amount): Condition appears as per Branch 4 and account name/account number will be updated

If Investment home Unit is 1-4 and Individual collection balance is <250: No concern and proceed to screen 4.4

If Investment home Unit is 1-4 and Cumulative collection balance is <1000: No concern and proceed to screen 4.4

If Investment home Unit is 1-4 and Individual collection balance is >250: Condition appears as per Branch 5.1 and account name/account number will be updated

If Investment home Unit is 1-4 and Cumulative collection balance is >1000: Condition appears as per Branch 5.2 and account name/account number will be updated

Screen 4— 4.4 Disputed Account Handling

Title:

Disputed Account Handling

Prompt 1:

Does credit report reflect any active disputed account?

- Yes
- No

If No; Exit and proceed to screen 4.5

If Yes; Prompt 2 will appear

Prompt 2:

Does AUS give Approve/Eligible or Accept/Eligible?

- Yes
- No

If Yes; Exit and proceed to screen 4.5

If No; Prompt 3 will appear

Prompt 3:

Review DU/LPA and check if ineligible/refer recommendations are due to disputed accounts?

- Yes
- No

If No; Exit and proceed to screen 4.5

If yes; pop up box will open for Operator to manually update the account number and Name and once saved prompt 3a will appear.

Prompt 3a:

Has borrower provided updated credit supplement removing dispute?

- Yes
- No

If Yes: Prompt 3b will appear for operator to validate the checklist.

If No: Condition appears as per Branch 2. Once the condition is raised; screen 4.5 will appear.

Prompt 3b:

If credit supplement is available: (Review the document and checkmark if any discrepancy is noted)

- ❑ Credit supplement reflects incorrect borrower name.
- ❑ Credit supplement reflects incorrect borrower SSN
- ❑ Credit supplements reflect an incorrect date of birth.
- ❑ Credit supplement reflect the tradeline still in dispute and not resolved.
- ❑ Credit supplement reflect additional tradeline which was not reported on original credit report and after including the payment in DTI ratios will exceed the 50%
- ❑ Credit supplement is not the latest but reflects dispute has been removed. Updated credit supplement is required.

If no checkpoint is selected and clicked on continue proceed to screen 4.5

If any checkbox is selected and clicked on continue: Condition appears as per Branch 3 and move to screen 4.5

Screen 5— 4.5 Excluded / Omitted Tradeline Validation

Title:

Excluded / Omitted Tradeline Validation

Prompt 1:

Check if any account is excluded from VOL?

- Yes
- No

If No; Proceed to screen 4.6

If Yes; Proceed to Prompt 2

Prompt 2:

What account types are excluded in LOS?

- ❑ Installment
- ❑ Revolving
- ❑ Mortgage
- ❑ Heloc

- ❑ Lease
- ❑ Open 30 days Charge account
- ❑ Taxes
- ❑ Tax lien

Pop up window required for account type selected to add account number and name and click on continue button.

If None Selected: Proceed to Screen 4.6

If Installment is selected**; Prompt 2a-2f will appear.**

If revolving is selected**; Prompt 3a- 3d will appear**

If Mortgage is selected; Prompt 4a-4e will appear

If HELOC is selected; Prompt 5a-5g will appear

If Lease is selected; Prompt 6a-6c will appear

If Open 30 day is selected; Prompt 7a-7e will appear

If Taxes is selected; Prompt 8a-8d will appear

If Tax Lien is selected; Prompt 9a-9d will appear

Prompt 2a:

Check if the installment account has less than 10 payments?

- Yes
- No

If Yes, then:

1. Check if multiple checkboxes are selected against prompt 2, if multiple selected then proceed (as per branch 11) respective prompts as per account types;
2. If only installment is selected against prompt 2, then proceed (as per Branch 11) to prompt 4.6 will appear.

If No; Prompt 2b will appear

Prompt 2b:

Check if any supporting documents are available for excluding the installment account?

- ❑ Yes
- ❑ No

If yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 2c appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 1 appears as per Branch 1**

Prompt 2c:

Please select the applicable option for the exclusion of the account?

- ❑ **Account is being paid by the business/other party**
- ❑ **Account is already paid off by the borrower**
- ❑ **Account paid by other parties through gift.**

If account is paid by the business is selected (operator to select the account number/name from dropdown for which account is paid by the business): Prompt 2d will appear

If account is already paid off by the borrower (operator to select the account number/name from dropdown for which account is already paid by the borrower) ; Prompt 2e will appear

If an account is paid by the other parties through gift is selected (operator to select the account number/name from dropdown for which account is paid by other parties through gift) ; Prompt 2f will appear.

Prompt 2d:

What documents are received (Select all that apply)

- ❑ Most recent 12 months cancelled checks
- ❑ Most recent 12 months bank statements

Once selected; respective checklist will get popped out for operator to validate:

If most recent 12 months cancelled checks available:

- ❑ Cancelled check does not reflect payee name as creditor name which is excluded from LOS
- ❑ Cancelled check reflects Payor name as Borrower's name. Clarification needed as debt would require to be included in LOS.
- ❑ Cancelled check reflects Payor name as business name, but business is not owned by the borrower.
- ❑ Consecutive 12 months cancelled check is not available
- ❑ Delinquency reflected 12 months of check provided.
- ❑ Cancelled check reflects payor name which matches the seller's name or real estate agent name.

If most recent 12 months bank statement is available:

- ❑ Most recent consecutive 12 months bank statement is not available.
- ❑ Bank statement provided is jointly owned by the borrower
- ❑ Bank statement provided reflects borrower name instead of some other person/business.
- ❑ Bank statement for any month is missing
- ❑ The bank statement provided does not reflect withdrawal amount.
- ❑ Withdrawal amount should be debited towards the creditor's name.

- ❑ Business name reflected on bank statements are not owned by the borrower.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only installment is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch 2 **(Account number/name updated against prompt 2 installment account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only installment is selected, then move to screen 4.6.

Prompt 2e:

What documents are received (Select all that apply)

- ❑ Credit supplement reflecting account is paid in full.
- ❑ Account statement from creditor reflecting 0 balance.
- ❑ Bank statement/Transaction History reflecting withdrawal amount
- ❑ Cancelled check/Cashier's check

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.
- ❑ Other supporting documents reflecting source of funds is not available

If Account statement from Creditor:

- ❑ Letter from creditor does not reflect account has $0 balance and after including the payment ratios exceed the limit of 50%.
- ❑ Account number/creditor name on letter does not match with the credit report.
- ❑ Other discrepancies are noted in the letter.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only installment is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch 3 **(Account number/name updated against prompt 2 installment account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only installment is selected, then move to screen 4.6.

Prompt 2f:

What documents are received (Select all that apply):

- ❑ Credit supplement reflecting account is paid in full.
- ❑ Account statement from creditor reflecting 0 balance.
- ❑ Bank statement/Transon History reflecting withdrawal amount
- ❑ Cancelled check/Cashier's check
- ❑ Gift letter

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.
- ❑ Other supporting documents reflecting source of funds is not available

If Account statement from Creditor:

- ❑ Letter from creditor does not reflect account has $0 balance and after including the payment ratios exceed the limit of 50%.
- ❑ Account number/creditor name on letter does not match with the credit report.
- ❑ Other discrepancies are noted in the letter.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.

- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Bank statement reflects another person's name and gift letter is not available/LOS is not updated.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ Payor name does not reflect borrower's name but different individual's name. However, gift letter is not available/LOS is not updated.
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If gift letter is available:

- ❑ Gift letter is not properly executed.
- ❑ Gift amount does not match the amount paid to the creditor.
- ❑ Gift letter does not reflect complete donor details.
- ❑ Gift letter provided reflects incorrect borrower name.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only installment is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch 4 **(Account number/name updated against prompt 2 installment account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only installment is selected, then move to screen 4.6.

Prompt 3a:

Check if any supporting documents are available for excluding the revolving account?

- ❑ Yes
- ❑ No

If Yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 3b appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 2 appears as per Branch 1**

Prompt 3b:

Please select the applicable option for the exclusion of the account?

- ❑ **Account is already paid off by the borrower**
- ❑ **Account paid by other parties through gift**

If account is already paid off by the borrower (operator to select the account number/name from dropdown for which account is already paid by the borrower) ; Prompt 3c will appear

If an account is paid by the other parties through gift is selected (operator to select the account number/name from dropdown for which account is paid by other parties through gift) ; Prompt 3d will appear.

Prompt 3c:

What documents are received (Select all that apply)

- ❑ Credit supplement reflecting account is paid in full.
- ❑ Credit card statement reflecting 0 balance.
- ❑ Bank statement/Transaction History reflecting withdrawal amount
- ❑ Cancelled check/Cashier's check

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.
- ❑ Other supporting documents reflecting source of funds is not available

If Credit Card statement:

- ❑ Credit Card statement does not reflect an account having $0 balance and after including the payment ratios exceed the limit of 50%.
- ❑ Creditor's name on statement does not match with the credit report.
- ❑ Other discrepancies are noted in the letter.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only revolving is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 2 appears as per Branch 3 **(Account number/name updated against prompt 2 revolving account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only revolving is selected, then move to screen 4.6.

Prompt 3d:

What documents are received (Select all that apply):

- ❑ Credit supplement reflecting account is paid in full.
- ❑ Credit card statement reflecting 0 balance.
- ❑ Bank statement/Transon History reflecting withdrawal amount
- ❑ Cancelled check/Cashier's check

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.
- ❑ Other supporting documents reflecting source of funds is not available

If Account statement from Creditor:

- ❑ Credit card statement does not reflect an account having $0 balance and after including the payment ratios exceed the limit of 50%.
- ❑ Creditor's name on letter does not match with the credit report.
- ❑ Other discrepancies are noted in the letter.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Bank statement reflects another person's name and gift letter is not available/LOS is not updated.

- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ Payor name does not reflect borrower's name but different individual's name. However, gift letter is not available/LOS is not updated.
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If gift letter is available:

- ❑ Gift letter is not properly executed.
- ❑ Gift amount does not match the amount paid to the creditor.
- ❑ Gift letter does not reflect complete donor details.
- ❑ Gift letter provided reflects incorrect borrower name.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only revolving is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 2 appears as per Branch 4 **(Account number/name updated against prompt 2 revolving account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only revolving is selected, then move to screen 4.6.

Prompt 4a:

Check if any supporting documents are available for excluding the Mortgage account?

- ❑ Yes
- ❑ No

If yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 4b appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 3 appears as per Branch 1**

Prompt 4b:

Please select the applicable option for the exclusion of the account?

- ❑ **Mortgage Account is being paid by the business/other party**
- ❑ **Mortgage Account is already paid off by the borrower**
- ❑ **Mortgage account is transferred/refinanced.**
- ❑ **Mortgage account is on pending sale property.**

If Mortgage account is paid by the business is selected (operator to select the account number/name from dropdown for which account is paid by the business): Prompt 4c will appear

If Mortgage account is already paid off by the borrower (operator to select the account number/name from dropdown for which account is already paid by the borrower); Prompt 4d will appear

If Mortgage account is transferred/refinanced is selected (operator to select the account number/name from dropdown for which Mortgage account is transferred/refinanced) ; Prompt 4e will appear.

if Mortgage account is on pending sale property is selected (operator to select the account number/name from dropdown for which Mortgage account is on pending sale property) ; Prompt 4f will appear.

Prompt 4c:

What documents are received (Select all that apply)

- ❑ Most recent 12 months cancelled checks
- ❑ Most recent 12 months bank statements

Once selected; respective checklist will get popped out for operator to validate:

If most recent 12 months cancelled checks available:

- ❑ Cancelled check does not reflect payee name as creditor name which is excluded from LOS
- ❑ Cancelled check reflects Payor name as Borrower's name. Clarification needed as debt would require to be included in LOS.
- ❑ Cancelled check reflects Payor name as business name, but business is not owned by the borrower.
- ❑ Consecutive 12 months cancelled check is not available
- ❑ Delinquency reflected 12 months of check provided.
- ❑ Cancelled check reflects payor name which matches the seller's name or real estate agent name.
- ❑ Rental income is being used for the property associated to the mortgage being excluded.

If most recent 12 months bank statement is available:

- ❑ Most recent consecutive 12 months bank statement is not available.
- ❑ Bank statement provided is jointly owned by the borrower
- ❑ Bank statement provided reflects borrower name instead of some other person/business.
- ❑ Bank statement for any month is missing
- ❑ The bank statement provided does not reflect withdrawal amount.
- ❑ Withdrawal amount should be debited towards the creditor's name.
- ❑ Business name reflected on bank statements are not owned by the borrower.
- ❑ Rental income is being used for the property associated to the mortgage being excluded.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only Mortgage is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 2 appears as per Branch 2 **(Account number/name updated against prompt 2 mortgage account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only mortgage is selected, then move to screen 4.6.

Prompt 4d:

What documents are received (Select all that apply)

- ❑ Credit supplement reflecting account is paid in full.
- ❑ Final CD/Settlement statement
- ❑ Bank statement reflecting withdrawal.
- ❑ Cancelled check/cashier's check

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.
- ❑ Other supporting documents reflecting source of funds is not available

If Final CD/Settlement statement from Creditor:

- ❑ Final CD/settlement statement reflect signature space however same is not executed by all the parties.
- ❑ Final CD/settlement statement reflects property address which is not matching with the property being attached to the mortgage being excluded.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ Payor name does not reflect borrower's name but different individual's name. However, gift letter is not available/LOS is not updated.
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.

- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only Mortgage is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 3 appears as per Branch 3 **(Account number/name updated against prompt 2 Mortgage account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only Mortgage is selected, then move to screen 4.6.

Prompt 4e:

What documents are received (Select all that apply):

- ❑ Credit supplement reflecting account is transferred.

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance with latest DLA and not transferred.
- ❑ Mortgage transferred to another account and new account is not included in DTI

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only Mortgage is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch 5 **(Account number/name updated against prompt 2 mortgage account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only mortgage is selected, then move to screen 4.6.

Prompt 4f:

What documents are received (Select all that apply):

- ❑ Estimated CD
- ❑ Purchase Contract for property of which mortgage is excluded

Once selected; respective checklist will get popped out for operator to validate:

If Estimated CD is available:

- ❑ Estimated CD provided does not reflect the seller's name as our borrower's name.
- ❑ Property address on estimated CD does not match the address associated against the mortgage being excluded from DTI.
- ❑ Closing/disbursement date on estimated CD is after the closing date of subject loan transaction and DTI exceeds after including the payment in LOS.

If Purchase contract is received:

- ❑ The purchase contract provided does not reflect the seller's name as our borrower's name.
- ❑ Property address on purchase contract does not match the address associated with the mortgage being excluded from DTI.
- ❑ Closing/disbursement date on purchase contract is after the closing date of subject loan transaction and DTI exceeds after including the payment in LOS.
- ❑ The purchase contract provided is not executed by all parties.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only Mortgage is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch 6 **(Account number/name updated against prompt 2 mortgage account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only mortgage is selected, then move to screen 4.6.

Prompt 5a:

Check if any supporting documents are available for excluding the HELOC account?

- ❑ Yes
- ❑ No

If yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 5b appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 4 appears as per Branch 1**

Prompt 5b:

Please select the applicable option for the exclusion of the account?

- ❑ **HELOC Account is being paid by the business/other party**
- ❑ **HELOC Account is already paid off by the borrower**
- ❑ **HELOC account is transferred/refinanced.**
- ❑ **Mortgage account is on pending sale property.**
- ❑ **HELOC statement received reflecting no amount withdrawn.**

If HELOC account is paid by the business is selected (operator to select the account number/name from dropdown for which account is paid by the business): Prompt 5c will appear

If HELOC is already paid off by the borrower (operator to select the account number/name from dropdown for which account is already paid by the borrower); Prompt 5d will appear

If HELOC account is transferred/refinanced is selected (operator to select the account number/name from dropdown for which Mortgage account is transferred/refinanced); Prompt 5e will appear.

If HELOC account is on pending sale property is selected (operator to select the account number/name from dropdown for which HELOC statement received is on pending sale property); Prompt 5f will appear.

If HELOC statement received reflecting no amount withdrawn is selected (operator to select the account number/name from dropdown for which HELOC statement received reflecting no amount withdrawn); Prompt 5gf will appear.

Prompt 5c:

What documents are received (Select all that apply)

- ❑ Most recent 12 months cancelled checks
- ❑ Most recent 12 months bank statements

Once selected; respective checklist will get popped out for operator to validate:

If most recent 12 months cancelled checks available:

- ❑ Cancelled check does not reflect payee name as creditor name which is excluded from LOS
- ❑ Cancelled check reflects Payor name as Borrower's name. Clarification needed as debt would require to be included in LOS.
- ❑ Cancelled check reflects Payor name as business name, but business is not owned by the borrower.
- ❑ Consecutive 12 months cancelled check is not available
- ❑ Delinquency reflected 12 months of check provided.
- ❑ Cancelled check reflects payor name which matches the seller's name or real estate agent name.
- ❑ Rental income is being used for the property associated to the mortgage being excluded.

If most recent 12 months bank statement is available:

- ❑ Most recent consecutive 12 months bank statement is not available.
- ❑ Bank statement provided is jointly owned by the borrower
- ❑ Bank statement provided reflects borrower name instead of some other person/business.
- ❑ Bank statement for any month is missing
- ❑ The bank statement provided does not reflect withdrawal amount.
- ❑ Withdrawal amount should be debited towards the creditor's name.
- ❑ Business name reflected on bank statements are not owned by the borrower.
- ❑ Rental income is being used for the property associated to the mortgage being excluded.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only HELOC is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 3 appears as per Branch 2 **(Account number/name updated against prompt 2 HELOC account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only HELOC is selected, then move to screen 4.6.

Prompt 5d:

What documents are received (Select all that apply)

- ❑ Credit supplement reflecting account is paid in full.

- ❑ Final CD/Settlement statement
- ❑ Bank statement reflecting withdrawal.
- ❑ Cancelled check/cashier's check

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.
- ❑ Other supporting documents reflecting source of funds is not available

If Final CD/Settlement statement from Creditor:

- ❑ Final CD/settlement statement reflect signature space however same is not executed by all the parties.
- ❑ Final CD/settlement statement reflects property address which is not matching with the property being attached to the HELOC being excluded.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ Payor name does not reflect borrower's name but different individual's name. However, gift letter is not available/LOS is not updated.
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only HELOC is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 4 appears as per Branch 3 **(Account number/name updated against prompt 2 HELOC account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only HELOC is selected, then move to screen 4.6.

Prompt 5e:

What documents are received (Select all that apply):

- ❑ Credit supplement reflecting account is transferred.

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance with the latest DLA and has not been transferred.
- ❑ Mortgage transferred to another account and new account is not included in DTI

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only HELOC is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 2 appears as per Branch 5 **(Account number/name updated against prompt 2 HELOC account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only HELOC is selected, then move to screen 4.6.

Prompt 5f:

What documents are received (Select all that apply):

- ❑ Estimated CD
- ❑ Purchase Contract for property of which HELOC is excluded

Once selected; respective checklist will get popped out for operator to validate:

If Estimated CD is available:

- ❑ The estimated CD provided does not reflect the seller's name as our borrower's name.
- ❑ Property address on estimated CD does not match the address associated with the HELOC being excluded from DTI.
- ❑ Closing/disbursement date on estimated CD is after the closing date of subject loan transaction and DTI exceeds after including the payment in LOS.

If Purchase contract is received:

- ❑ The purchase contract provided does not reflect the seller's name as our borrower's name.
- ❑ Property address on purchase contract does not match the address associated with the mortgage being excluded from DTI.

- ❑ Closing/disbursement date on purchase contract is after the closing date of subject loan transaction and DTI exceeds after including the payment in LOS.
- ❑ The purchase contract provided is not executed by all parties.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only HELOC is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 2 appears as per Branch 6 **(Account number/name updated against prompt 2 HELOC account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only HELOC is selected, then move to screen 4.6.

Prompt 5g:

What documents are received (Select all that apply):

- ❑ HELOC statement reflecting funds not withdrawn and there is no outstanding balance.

Once selected; respective checklist will get popped out for operator to validate:

If HELOC statement is available:

- ❑ The HELOC statement reflects an outstanding balance with monthly payment and after including the payment DTI will exceeds the 50%
- ❑ The HELOC statement reflects different creditor names/account numbers which does not match with credit report.
- ❑ HELOC statement is not the latest statement.
- ❑ HELOC statement has other discrepancies.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only HELOC is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch 7 **(Account number/name updated against prompt 2 HELOC account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only HELOC is selected, then move to screen 4.6.

Prompt 6a:

Check if any supporting documents are available for excluding the Lease account?

- ❑ Yes
- ❑ No

If yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 6b appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 5 appears as per Branch 1**

Prompt 6b:

Please select the applicable option for the exclusion of the account?

- ❑ **Lease account is terminated.**

If Lease account statement is selected (operator to select the account number/name from dropdown for which lease account statement): Prompt 6c will appear.

Prompt 6c:

What document has been received? (Select all that apply)

- ❑ Credit Supplement
- ❑ Lease account statement

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects active and not terminated.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.

If Lease Account statement from Creditor:

- ❑ Letter from creditor does not reflect account has been terminated and after including the payment ratios exceed the limit of 50%.
- ❑ Account number/creditor name on letter does not match with the credit report.
- ❑ Other discrepancies are noted in the letter.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only Lease is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch 8 **(Account number/name updated against prompt 2 lease account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only lease is selected, then move to screen 4.6.

Prompt 7a:

Check if any supporting documents are available for excluding the 30-day charge account?

- ❑ Yes
- ❑ No

If yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 7b appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 6 appears as per Branch 1**

Prompt 7b:

Please select the applicable option for the exclusion of the account?

- ❑ **30-day charge account is paid off by the borrower**
- ❑ **Borrower has reserves to cover the account balance**
- ❑ **Borrower pays minimum due amount and not the entire balance.**

If 30-day charge account is paid off by the borrower is selected (operator to select the account number/name from dropdown for which 30-day charge account is paid off by the borrower): Prompt 7c will appear.

if the borrower has reserves to cover the account is selected (operator to select the account number/name from dropdown for which borrower has reserves to cover the account): Prompt 7d will appear.

if the borrower pays minimum due amount and not the entire balance is selected (operator to select the account number/name from dropdown for which pays minimum due amount and not the entire balance): Prompt 7e will appear.

Prompt 7c:

What documents are received (Select all that apply):

- ❑ Credit supplement reflecting account is paid in full.
- ❑ Credit card statement from creditor reflecting 0 balance.
- ❑ Bank statement/Transaction History reflecting withdrawal amount
- ❑ Cancelled check/Cashier's check

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.
- ❑ Other supporting documents reflecting source of funds is not available

If Account statement from Creditor:

- ❑ Letter from creditor does not reflect account has $0 balance and after including the payment ratios exceed the limit of 50% also, borrower does not have reserves equivalent to the account balance.
- ❑ Account number/creditor name on letter does not match with the credit report.
- ❑ Other discrepancies are noted in the letter.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only 30-day account is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 5 appears as per Branch 3 **(Account number/name updated against prompt 2 30-day account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only 30-day account is selected, then move to screen 4.6.

Prompt 7d:

What documents are received (Select all that apply):

- ❑ Bank statement/transaction history to verify funds available to meet reserve requirement
- ❑ Gift documentation to meet 6 months reserve requirement

Once selected; respective checklist will get popped out for operator to validate:

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not have sufficient funds to meet additional reserves equivalent to the outstanding balance of 30-day charge account.
- ❑ Bank statement/Transaction History has missing pages.
- ❑ Bank statement/Transaction History provided is not provided for 30 days/60 days period
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.

- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If Gift Documentation is available:

- ❑ Gift letter is missing
- ❑ Gift letter provided has missing basic information like Donor name, donor phone number, donor address, borrower details, gift amount, repayment clause.
- ❑ Cancelled check is missing reflecting amount is deposited in borrower's account
- ❑ The bank statement provided does not reflect the gift deposit amount.
- ❑ Gift mismatch noted between gift letter and bank statement deposited amount. After considering the deposited amount, the borrower will be short to close.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only 30-day account is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch 9 **(Account number/name updated against prompt 2 30-day account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only 30-day account is selected, then move to screen 4.6.

Prompt 7e:

What documents are received (Select all that apply):

- ❑ Credit card statement
- ❑ Credit supplement

Once selected; respective checklist will get popped out for operator to validate:

If Credit card statement is available:

- ❑ Credit card statement does not reflect minimum due amount but reflects the account balance and payment amount as same.
- ❑ Credit card statement provided is for different tradeline as account name/number does not match with the one reported on credit report
- ❑ Other discrepancies are identified on the credit card statement.

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects the same monthly payment as account balance.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only 30-day charge account is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch 10 **(Account number/name updated against prompt 2 30-day charge account should reflect in the**

dropdown and operator will select the account for which condition is required) and Proceed to the next prompt as per the options selected in Prompt 2. If only 30-day charge account is selected, then move to screen 4.6.

Prompt 8a:

Check if any supporting documents are available for excluding the taxes account?

- ❑ Yes
- ❑ No

If Yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 8b appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 7 appears as per Branch 1**

Prompt 8b:

Please select the applicable option for the exclusion of the account?

- ❑ **Account is already paid off by the borrower**
- ❑ **Account paid by other parties through gift.**

If account is already paid off by the borrower (operator to select the account number/name from dropdown for which account is already paid by the borrower) ; Prompt 8c will appear

If an account is paid by the other parties through gift is selected (operator to select the account number/name from dropdown for which account is paid by other parties through gift) ; Prompt 8d will appear.

Prompt 8c:

What documents are received (Select all that apply)

- ❑ Tax statement reflecting 0 balance.
- ❑ Bank statement/Transaction History reflecting withdrawal amount
- ❑ Cancelled check/Cashier's check

Once selected; respective checklist will get popped out for operator to validate:

If Tax statement is available:

- ❑ Tax statements still reflect an outstanding balance and after including the payment ratios exceed the limit of 50%.
- ❑ Case number/creditor name on letter does not match with the other documents.
- ❑ Other discrepancies are noted in the letter.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance or account is released.
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.
- ❑ Tax letter not available reflecting account is paid off with $0 balance.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only taxes is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 6 appears as per Branch 3 **(Account number/name updated against prompt 2 Taxes account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only Taxes are selected, then move to screen 4.6.

Prompt 8d:

What documents are received (Select all that apply):

- ❑ Account statement from creditor reflecting 0 balance.
- ❑ Bank statement/Transaction History reflecting withdrawal amount
- ❑ Cancelled check/Cashier's check

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.
- ❑ Other supporting documents reflecting source of funds is not available

If Account statement from Creditor:

- ❑ Letter from creditor does not reflect account has $0 balance and after including the payment ratios exceed the limit of 50%.
- ❑ Account number/creditor name on letter does not match with the credit report.
- ❑ Other discrepancies are noted in the letter.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Bank statement reflects another person's name and gift letter is not available/LOS is not updated.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ Payor name does not reflect borrower's name but different individual's name. However, gift letter is not available/LOS is not updated.
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If gift letter is available:

- ❑ Gift letter is not properly executed.
- ❑ Gift amount does not match the amount paid to the creditor.
- ❑ Gift letter does not reflect complete donor details.
- ❑ Gift letter provided reflects incorrect borrower name.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only taxes is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 3 appears as per Branch 4 **(Account number/name updated against prompt 2 taxes account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only taxes is selected, then move to screen 4.6.

Prompt 9a:

Check if any supporting documents are available for excluding the tax lien account?

- ❑ Yes
- ❑ No

If Yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 9b appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 8 appears as per Branch 1**

Prompt 9b:

Please select the applicable option for the exclusion of the account?

- ❑ **Account is already paid off by the borrower**
- ❑ **Account paid by other parties through gift.**

If account is already paid off by the borrower (operator to select the account number/name from dropdown for which account is already paid by the borrower) ; Prompt 9c will appear

If an account is paid by the other parties through gift is selected (operator to select the account number/name from dropdown for which account is paid by other parties through gift) ; Prompt 9d will appear.

Prompt 9c:

What documents are received (Select all that apply)

- ❑ Tax statement reflecting 0 balance.
- ❑ Bank statement/Transaction History reflecting withdrawal amount
- ❑ Cancelled check/Cashier's check

Once selected; respective checklist will get popped out for operator to validate:

If Tax statement is available:

- ❑ Tax statements still reflect an outstanding balance and after including the payment ratios exceed the limit of 50%.
- ❑ Case number/creditor name on letter does not match with the other documents.
- ❑ Other discrepancies are noted in the letter.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance or account is released.

- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.
- ❑ Tax letter not available reflecting account is paid off with $0 balance.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only Tax lien is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 7 appears as per Branch 3 **(Account number/name updated against prompt 2 Tax lien account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only Tax lien are selected, then move to screen 4.6.

Prompt 9d:

What documents are received (Select all that apply):

- ❑ Account statement from creditor reflecting 0 balance.
- ❑ Bank statement/Transaction History reflecting withdrawal amount
- ❑ Cancelled check/Cashier's check

Once selected; respective checklist will get popped out for operator to validate:

If Credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Tradeline excluded from LOS still reflects outstanding balance.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.
- ❑ Other supporting documents reflecting source of funds is not available

If Account statement from Creditor:

- ❑ Letter from creditor does not reflect account has $0 balance and after including the payment ratios exceed the limit of 50%.
- ❑ Account number/creditor name on letter does not match with the credit report.
- ❑ Other discrepancies are noted in the letter.

If bank statement/Transaction History:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the outstanding balance.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to outstanding balance, but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Bank statement reflects another person's name and gift letter is not available/LOS is not updated.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If Cancelled check/cashier's check:

- ❑ Cancelled/cashier's check does not reflect creditor name as payee
- ❑ Payor name does not reflect borrower's name but different individual's name. However, gift letter is not available/LOS is not updated.
- ❑ The amount reflected on the check is less than the outstanding balance reported on the credit report. Clarification required for discrepancy in amount.
- ❑ Cashier check provided however; bank statement reflecting withdrawal is not available.
- ❑ Credit supplement /other supporting document not available reflecting account is paid off with $0 balance.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only tax lien is selected, then move to screen 4.6.

If the checklist is filled for any discrepancy and click on continue button→ Condition 4 appears as per Branch 4 **(Account number/name updated against prompt 2 tax lien account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only tax lien is selected, then move to screen 4.6.

Screen 6— 4.6 Utility / Self-Reported / Telecom Account Handling

Title:

Utility / Self-Reported / Telecom Account Handling

Prompt 1:

Check if credit report reflects any Utility/Self-reported/Telecom account?

- Yes
- No

If No; Proceed to screen 4.7

If Yes; Proceed to prompt 2

Prompt 2:

Does payment of Telecom/self-reported/utility account included DTI?

- Yes
- No

If No; Proceed to screen 4.7

If Yes; Update instruction appears as per Branch 1 and once clicked on continue button screen 4.7 appears.

Screen 7— 4.7 Payment History Recency Validation

Title:

Payment History Recency Validation

Top banner shows:

- Session ID
- Application Date (locked)
- Estimated Closing Date (locked)
- Credit Report "As Of" Date (locked from S0)
- Number of Applicants
- Section Progress: S1 • S2 • S3 • S4 • S5

Prompt 1:

Does credit report reflect DLA prior to application date for any tradeline?

- Yes
- No

If No: Proceed to screen 4.8

If Yes: Next prompt appears

Prompt 2

Is DLA prior to application date noted on mortgage or non-mortgage lien?

- ❑ Mortgage Lien
- ❑ Non-Mortgage Lien

Pop up window required for account type selected to add account number and name and click on the continue button.

If Mortgage Lien is selected: Prompt 2a- 2eappears

If non-mortgage lien is selected: Prompt 3 appears

If both are selected; all the prompts will appear sequentially

Prompt 2a:

Check if mortgage account is associated with subject property or REO property?

- ❑ Subject Property
- ❑ REO property

If Subject property is selected; Prompt 2b-2d appears

If REO property is selected; Prompt 2e appears.

If both are selected; all the applicable prompts will appear sequentially

Prompt 2b:

Is DLA reflected on credit report covers the closing date minus 1 month?

- Yes
- No

If Yes: Proceed to Prompt 3 (if non-mortgage is selected against prompt 2), proceed to prompt 2e (if REO property is selected) else proceed to screen 4.8

If No; Prompt 2c will appear

Prompt 2c:

Do we have any other supporting documents available to verify payment history till closing date?

- Yes
- No

If Yes: Prompt 2d will appear

If No: Condition appears based on Branch 4

Prompt 2d:

Check if any other documents are available to verify DLA covering closing date minus 1 month?

- ❑ Credit supplement
- ❑ Mortgage statement
- ❑ Payoff statement
- ❑ Bank statement/transaction history

Once each option is selected; the respective checklist will pop out for operators to validate.

If credit supplement is available:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Mortgage Tradeline
- ❑ Does not reflect DLA covering the closing date minus 1 month.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.

If Mortgage statement is available:

- ❑ Mortgage statement does not reflect the subject property address.
- ❑ Next due date on mortgage statement is not verified till closing date
- ❑ The mortgage statement reflects late charges, which is higher and is a trigger for borrower making late payments.
- ❑ Mortgage statements reflect inconsistent information.

If Payoff statement is available:

- ❑ Payoff statement does not reflect the subject property address.
- ❑ Next due date on payoff statement is not verified till closing date.
- ❑ The payoff statement reflects late charges, which is higher and is a trigger for borrowers making late payments.
- ❑ Payoff statements reflect inconsistent information.

If Bank statement/Transaction History is validated:

- ❑ Bank statement/transaction history does not reflect any withdrawal which can cover the payment history till closing
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.

If the checklist is not filled and clicked on the continue button → Proceed to Prompt 2e (if REO property is selected in Prompt 2a), Proceed to Prompt 3 (If Mortgage and Non-Mortgage is selected against prompt 2) and then move to screen 4.8.

If the checklist is filled for any discrepancy and click on continue button→ Condition appears as per Branch 3 **(Account number/name updated against prompt 2 Mortgage account account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2 and 2a. If nothing else is selected move to screen 4.8

Prompt 2e:

Is DLA more than 45 days of application date?

- Yes
- No

If Yes; Condition appears as per Branch 2

If No; Proceed to prompt 3 (if non-mortgage is selected) else moved to screen 4.8

Prompt 3:

Is DLA more than 90 days of application date for non-mortgage lien?

- Yes
- No

If Yes: Condition appears as per Branch 1

If No: Proceed to screen 4.8

Screen 8— 4.8 Delinquency & 30/60/90 Late Handling

Title:

Delinquency & 30/60/90 Late Handling

Operator To update below details based on delinquent account on credit report:

Creditor name

Account Number

Prompt 1:

Does credit report reflect any late payment of more than 30 days in the last12 months from the current date?

- Yes
- No

If No: Proceed to next screen 4.9

If Yes; Proceed to next prompt 2

Prompt 2:

Does late payment reflect on Mortgage account or non-mortgage account? (select all that apply)

- ❑ Mortgage account
- ❑ Non-Mortgage account

If Mortgage is selected: Prompt 2a will appear along with the alert on Branch 1 and operator to proceed to prompt 2a

If Non—Mortgage is selected: Proceed to screen 4.9

Prompt 2a:

Does lender require explanation for delinquencies noted in the last 12 months?

- Yes
- No

If Yes: Condition appears as per branch 1

If No: Proceed to screen 4.9

Screen 9— 4.9 Authorized User Account Handling

Title:

Authorized User Account Handling

Operator To update below details based on authorized user account on credit report:

Creditor name

Account Number

Prompt 1:

Is this a DU loan or LPA loan?

- DU
- LPA

If DU is selected: Prompt 2 will appear

If LPA is selected: Prompt 3 will appear

Prompt 2:

If DU, does credit report reflect any authorized account?

- Yes

- No

If No; Proceed to screen 4.10

If Yes: Proceed to prompt 2a

Prompt 2a:

Does borrower qualify after considering the authorized user's payment?

- Yes
- No

If Yes; Proceed to screen 4.10

If No: Proceed to next prompt 2b

Prompt 2b:

Does DU give clauses to request additional documentation for an Authorized user account?

- Yes
- No

If Yes; Conditions appears as per Branch 2

If No: No concern and proceed to screen 4.10

Prompt 3:

If LPA, does credit report reflect any authorized account?

- Yes
- No

If No; Proceed to screen 4.10

If Yes: Proceed to prompt 3a

Prompt 3a:

Does borrower qualify after considering the authorized user's payment?

- Yes
- No

If Yes; Proceed to screen 4.10

If No: Proceed to next prompt 3b

Prompt 3b:

Does LPA give clauses to request additional documentation for an Authorized user account?

- Yes
- No

If Yes; Conditions appears as per Branch 1

If No: No concern and proceed to screen 4.10

Screen 10— 4.10 Duplicate Tradeline Handling

Title:

Duplicate Tradeline Handling

Operator To update below details based on duplicate account on credit report:

Creditor name

Account Number

Prompt 1:

Does credit report reflect any duplicate account?

- Yes
- No

If No: Proceed to screen 11 (4.11)

If Yes: Proceed to prompt 2

Prompt 2:

Check if borrower qualifies after including both duplicate accounts in LOS?

- Yes
- No

If Yes: Proceed to screen 11 (4.11)

If No: Proceed to prompt 2a

Prompt 2a:

Check if any credit supplement available to exclude the duplicate tradeline?

- Yes
- No

If Yes: Prompt 2b will appear

If No: condition appears as per Branch 2

Prompt 2b:

If credit supplement is available, then check if any of the below points fails?

- ❑ Credit supplement received reflects incorrect borrower name, SSN, DOB
- ❑ Credit supplement provided does not verify that one of the duplicate accounts is deleted.
- ❑ Credit supplement reflects another tradeline which was not reported on original credit report and after including this payment, ratios will exceed 50%

If none of the checkboxes are selected and details are verified: Proceed to screen 4.11

If any of the checkboxes are selected: condition appears as per branch 3

Screen 11— 4.11 Past Due Account Handling

Title:

Past Due Account Handling

Operator To update below details based on Past due account on credit report:

Creditor name

Account Number

Prompt 1:

Does credit report reflect any account which has past due balance but not in collection or charged off?

- Yes
- No

If No: Proceed to screen 12 (4.12)

If Yes: Prompt 2 will appear

Prompt 2:

Check if we have a supporting document in file reflecting the past due amount is $0 and current?

- Yes
- No

If Yes: prompt 2a will appear

If No: Condition appears as per Branch 1 and move to next screen 4.12

Prompt 2a:

What document is received for a past due account?

- ❑ Credit supplement
- ❑ Bank statement/transaction history reflecting source of funds
- ❑ Credit card statement

If credit supplement is available, review below checklist and select all that is applicable:

- ❑ Credit supplement does not reflect the correct borrower details like SSN,DOB,Borrower name.
- ❑ Past due account on credit report still reflects the same past due amount on credit supplement and it is not reflecting as $0.
- ❑ Credit supplement reflects a new tradeline which was not reported on credit report and after including the same in LOS, DTI exceeds 50%.
- ❑ Other supporting documents reflecting the source of funds is not available.

If bank statement/transaction history is available, review below checklist and select all that is applicable:

- ❑ Bank statement/Transaction History does not reflect withdrawal amount equal to or more than the past due amount.
- ❑ Bank statement/Transaction History reflects withdrawal amount similar to past due amount , but description does not reflect creditor details.
- ❑ Bank statement/Transaction History provided reflects other discrepancy.
- ❑ Credit supplement /other supporting document not available reflecting past due amount is paid with $0 balance.
- ❑ Bank statement/transaction history reflects undisclosed withdrawal for which additional clarification is required.
- ❑ Bank statement/transaction history reflects large deposits which were used to pay off the 30-day charge account. Hence, the source of funds required for the large deposit is noted.

If credit card statement is available, review below checklist and select all that is applicable:

- ❑ Credit card statement available in file is for some other account and not for the one whose past due amount was reflected on credit report.
- ❑ Credit card statement does not reflect past due amount as $0 but has amount.
- ❑ Credit card statement reflected different borrower's name.

If the checklist is not filled and clicked on the continue button → Proceed to the next screen 4.12.

If the checklist is filled for any discrepancy and click on continue button→ Condition appears as per Branch 2 **(Account number/name updated by operator will be updated in the condition)** and proceed to screen 4.12

Screen 12— 4.12 Liability being paid off Handling

Title:

Liability being paid off Handling

Operator To update below details based on liability paid off account on credit report:

Creditor name

Account Number

Prompt 1:

Check in LOS, if any debt is getting paid off at closing?

- Yes
- No

If Yes: prompt 2 appears

If No: Proceed to next section 5

Prompt 2:

Select the account type which is getting paid off at closing?

- ❑ Revolving
- ❑ Installment
- ❑ Mortgage

Pop up window required for account type selected to add account number and name and click on continue button.

If Revolving is selected: Prompt 2a-2b will appear (If multiple selected, then checklist will appear sequentially)

If Installment is selected; Prompt 3a-3b will appear

If Mortgage is selected; Prompt 4a-4c will appear

Prompt 2a:

Do we have any supporting documents for paying off the debt at closing?

- Yes
- No

If yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 2b appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 1 appears as per Scenario A**

Prompt 2b:

Do we have the latest credit card statement?

- **Yes**
- **No**

If No: condition 1 appears as per Scenario A

If Yes: Checklist will appear for Operator to validate the checkpoints as per available document

If credit card statement is available:

- ❑ **Credit card statements are received for different borrowers.**
- ❑ **Credit card statement received reflects different account number and name.**

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only revolving is selected, then move to screen 4.13.

If the checklist is filled for any discrepancy and click on continue button→ Condition 2 appears as per Scenario A **(Account number/name updated against prompt 2 Revolving account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only revolving is selected, then move to screen 4.13.

Prompt 3a:

Do we have any supporting documents for paying off the debt at closing?

- Yes
- No

If yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 3b appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 1 appears as per Scenario B**

Prompt 3b:

Please select the available document received?

- ❑ **Installment payoff**
- ❑ **Account statement**

Once selected; respective checklist will get popped out for operator to validate:

If Installment Payoff is available:

- ❑ Payoff reflects incorrect account number and name
- ❑ Payoff reflects the incorrect borrower's name.
- ❑ Payoff provided is not latest and per diem interest is not provided.
- ❑ Payoff provided has already expired.

If Account statement is available:

- ❑ The account statement reflects incorrect loan number and borrower name.
- ❑ Account statement reflects the incorrect borrower's name
- ❑ Account statement provided does not reflect the exact payoff amount
- ❑ The account statement available is not the latest statement.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only installment is selected, then move to screen 4.13.

If the checklist is filled for any discrepancy and click on continue button→ Condition 2 appears as per Scenario B **(Account number/name updated against prompt 2 installment account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only installment is selected, then move to screen 4.13.

Prompt 4a:

Do we have any supporting documents for paying off the debt at closing?

- Yes
- No

If yes, operator to select the account number/name from dropdown for which supporting document is available: Prompt 4b appears

If No operator to select the account number/name from dropdown for which supporting document is not available**; Condition 1 appears as per Scenario B**

Prompt 4b:

Please select the available document received?

- ❑ **Mortgage payoff**

Once selected; respective checklist will get popped out for operator to validate:

If Installment Payoff is available:

- ❑ Payoff reflects incorrect account number and name
- ❑ Payoff reflects the incorrect borrower's name.

- ❑ Payoff provided is not latest and per diem interest is not provided.
- ❑ Payoff provided has already expired.
- ❑ Payoff reflects late charges.
- ❑ Interest of more than 60 days is charged.

If the checklist is not filled and clicked on the continue button → Proceed to the next prompt as per the options selected in Prompt 2. If only mortgage is selected, then move to screen 4.13.

If the checklist is filled for any discrepancy and click on continue button→ Condition 2 appears as per Scenario B **(Account number/name updated against prompt 2 mortgage account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt as per the options selected in Prompt 2. If only mortgage is selected, then move to screen 4.13.

Screen 13- 4.13 Child Support Handling

Title:

Child support Handling

Global Banner (still visible)

- Application Date
- Estimated Closing Date
- Active Credit Report: CR-X
- Borrower Slot: B1 / B2

Prompt 1:

Does credit report reflect any tradeline with remarks as “Child support/Support/Alimony”?

- Yes
- No

If Yes: the Operator will get a window to update account number, name and balance and then will proceed to next prompt.

If No: Move to section 1 if multiple credit report is available else move to final screen

Prompt 2:

Does child support account have DLA of less than 7 years?

- Yes
- No

If No: Move to section 1 if multiple credit report is available else move to final screen

If Yes: Proceed to Prompt 3

Prompt 3:

Check if we have divorce decree or child support agreement available in file

- Yes
- No

If Yes: Prompt 3a will appear

If No: Proceed to Prompt 4

Prompt 3a:

What document is provided for child support tradeline?

- Child support agreement
- Divorce decree

If Child support agreement is selected and clicked on continue Prompt 3b will appear

If divorce decree is selected and clicked on continue Prompt 3c will appear

If none selected and clicked on continue operator will get an alert to escalate the documentation for manager’s review

Prompt 3b:

If child support document is available:

- ❑ Child support document reflects case# and creditor name which does not match with the tradeline reflected on credit report
- ❑ Child support document reflects different monthly payment than the one reflected on credit report
- ❑ Child support payment is active as per child support document however, tradeline on credit report is inactive.
- ❑ Child support document is not executed/notarized completely.
- ❑ Child support reflects missing pages.
- ❑ Child support tradeline reflects account is in collection, but child support document provided does not reflect any delinquent information. Clarification is required for the same.

Prompt 3c:

If Divorce decree is available:

- ❑ Divorce decree reflects case# and creditor name which does not match with the tradeline reflected on credit report
- ❑ Divorce decree reflects different monthly payment than the one reflected on credit report
- ❑ Child support payment is active as per Divorce decree; however, tradeline on credit report is inactive.
- ❑ Divorce decree is not executed/notarized completely.
- ❑ Divorce decree reflects missing pages.
- ❑ Divorce decree tradeline reflects account is in collection, but child support document provided does not reflect any delinquent information. Clarification is required for the same purpose.
- ❑ Divorce decree reflects that additional debt is assigned to the borrower which is not included in DTI, and divorce is recent. After including the payment in DTI ratios will exceed the limit of 50%
- ❑ Divorce decree reflects additional real estate assigned to borrowers and PITIA hit for the same is not included in LOS. Need clarification on the current disposition of the property.

If none of the checkpoints are selected: Continue to final screen.

If any checkpoint is selected: Condition will appear as per Branch 4

Prompt 4:

Check out lender requirements for child support/divorce decree?

- Yes
- No

If Yes: Condition appears as per Branch 3

If No: No concern and proceed further to the final screen.

SECTION 5— Derogatory Events Rule

We'll build this in micro-judgments:

1. 5.1 Active Bankruptcy Handling
2. 5.2 Bankruptcy Waiting Period Validation (Chapter 7 & 13)
3. 5.3 Mortgage Derogatory Event Handling
4. 5.4 Tax Lien Handling (Released & Not Released)
5. 5.5 Judgment Handling (Released & Not Released)

Global Banner (still visible)

- Application Date
- Estimated Closing Date
- Active Credit Report: CR-X
- Borrower Slot: B1 / B2

Section 4 Progress: 5.1 → 5.2 → 5.3→ 5.4 → 5.5

Screen 1— 5.1 Active Bankruptcy Handling

Title:

Active Bankruptcy Handling

Prompt 1:

Does credit report reflect any active Bankruptcy?

- Yes
- No

If No: Proceed to next screen 5.2

If Yes: Proceed to prompt 2

Prompt 2:

Which bankruptcy is active on credit report?

- ❑ Chapter 7 Bankruptcy
- ❑ Chapter 13 Bankruptcy.
- ❑ Chapter 11 Bankruptcy

Pop up window required for selected fields to add case number and bankruptcy date and click on continue button. Prompt 2a will appear:

Prompt 2a:

If Bankruptcy/another supporting document is provided in file?

- Yes
- No

If Yes: Alert appears as per Branch 2 and option to escalate the alert to management should be provided and after escalating operator should be able to move to screen 2 (5.2)

If No: Condition appears as per Branch 1 and move to screen 2 (5.2)

Screen 2— 5.2 Bankruptcy Waiting Period Validation (Chapter 7, 11 & 13)

Title:

Bankruptcy Waiting Period Validation (Chapter 7 & 13)

Global Banner (still visible)

- Application Date
- Estimated Closing Date
- Active Credit Report: CR-X
- Borrower Slot: B1 / B2

Prompt 1:

Does credit report reflect inactive bankruptcy?

- Yes
- No

If No: Proceed to screen 5.3

If Yes: Proceed to Prompt 2

Prompt 2:

Select the type of bankruptcy reflected in credit report?

- Chapter 7 Bankruptcy
- Chapter 13 Bankruptcy.
- Chapter 11 Bankruptcy

Pop up window required for selected fields to add case number and bankruptcy discharged/dismissed date and click on the continue button. Condition appears as per Branch 1.

If Chapter 7 is selected: Prompt 2a-2e will appear

If Chapter 13 is selected: Prompt 3a-3e will appear

If Chapter 11 will appear: Prompt 4a will appear

Prompt 2a:

Is 4 years waiting period met from an estimated closing date and discharged/dismissed date?

- Yes
- No

If Yes: Prompt 2b will appear

If No: Prompt 2d appears

Prompt 2b:

Check out lender requirements if a bankruptcy document is required?

- Yes
- No

If Yes: Prompt 2c appears

If No: Respective Prompt will appear if multiple options are selected against prompt 2 and if only chapter 7 is selected, then next screen 5.3 will appear.

Prompt 2c:

Is the Bankruptcy document available in file?

- Yes
- No

If Yes: Alert appears as per Branch 8, alert should have an option to escalate it to management for review and operator can move to next prompt (Respective Prompt will appear if multiple options are selected against prompt 2 and if only chapter 7 is selected, then next screen 5.3 will appear.)

If No: Condition appears as per Branch 1

Prompt 2d:

Is 2 years waiting period met from an estimated closing date and discharged/dismissed date?

- Yes
- No

If No: Condition appears as per branch 4

If Yes: Prompt 2e will appear

Prompt 2e:

Check if we have received any documents supporting extenuating circumstances?

- Yes
- No

If yes: Alert appears as per Branch 9, alert should have an option to escalate it to management for review and operator can move to next prompt (Respective Prompt will appear if multiple options are selected against prompt 2 and if only chapter 7 is selected, then next screen 5.3 will appear.)

If No: Condition appears as per Branch 4 and next screen 5.3 will appear.

Prompt 3a:

Is Chapter 13 bankruptcy discharged or dismissed?

- ❑ Dismissed
- ❑ Discharged

If Dismissed is selected: Prompt 3b-3c will appear

If Discharged is selected: Prompt 3d will appear

Prompt 3b:

Have 4 years of waiting period met from dismissed date and estimated closing date?

- Yes
- No

If Yes: Prompt 3c will appear

If No: Prompt 3d will appear

Condition appears as per Branch 6

Prompt 3c:

Check out lender requirements if a bankruptcy document is required?

If Yes: condition appears as per Branch 3

If No: Respective Prompt will appear if multiple options are selected against prompt 2 and if only chapter 13 is selected, then prompt 3f will appear (if discharged) else next screen 5.3 will appear

Prompt 3d:

Have 2 years of waiting period met from dismissed date and estimated closing date?

- Yes
- No

If Yes: Prompt 3e will appear

If No: Condition appears as per Branch 6

Prompt 3e:

Check if we have received any documents supporting extenuating circumstances?

- Yes
- No

If yes: Alert appears as per Branch 9, alert should have an option to escalate it to management for review and operator can move to next prompt (Respective Prompt will appear if multiple options are selected against prompt 2 and if only chapter 13 is selected, then next screen 5.3 will appear.)

If No: Condition appears as per Branch 6 and next screen 5.3 will appear.

Prompt 3f:

Have 2 years of waiting period met from discharged date and estimated closing date?

- Yes
- No

If yes: Prompt 3g will appear

If No : Condition appears as per Branch 5

Prompt 3g:

Check out lender requirements if a bankruptcy document is required?

- Yes
- No

If Yes: condition appears as per Branch 2

If No: Respective Prompt will appear if multiple options are selected against prompt 2 and if only chapter 13 is selected, then next screen 5.3 will appear

Prompt 4a:

Is 4 years waiting period met from an estimated closing date and discharged/dismissed date?

- Yes
- No

If Yes: Prompt 4b will appear

If No: Prompt 4d appears

Prompt 4b:

Check out lender requirements if a bankruptcy document is required?

- Yes
- No

If Yes: Prompt 4c appears

If No: Respective Prompt will appear if multiple options are selected against prompt 2 and if only chapter 7 is selected, then next screen 5.3 will appear.

Prompt 4c:

Is the Bankruptcy document available in file?

- Yes
- No

If Yes: Alert appears as per Branch 8, alert should have an option to escalate it to management for review and operator can move to next prompt (Respective Prompt will appear if multiple options are selected against prompt 2 and if only chapter 11 is selected, then next screen 5.3 will appear.)

If No: Condition appears as per Branch 10

Prompt 4d:

Is 2 years waiting period met from an estimated closing date and discharged/dismissed date?

- Yes
- No

If No: Condition appears as per branch 11

If Yes: Prompt 4e will appear

Prompt 4e:

Check if we have received any documents supporting extenuating circumstances?

- Yes
- No

If yes: Alert appears as per Branch 9, alert should have an option to escalate it to management for review and operator can move to next prompt (Respective Prompt will appear if multiple options are selected against prompt 2 and if only chapter 11 is selected, then next screen 5.3 will appear.)

If No: Condition appears as per Branch 11 and next screen 5.3 will appear.

Screen 3— 5.3 Mortgage Derogatory Event Handling

Title:

Mortgage Derogatory Event Handling

Global Banner (still visible)

- Application Date
- Estimated Closing Date
- Active Credit Report: CR-X
- Borrower Slot: B1 / B2

Prompt 1:

Does credit report reflect any mortgage with the keywords below? (Select all that apply)

- ❑ Foreclosure
- ❑ Pre-Foreclosure / Short Sale / Deed-in-Lieu
- ❑ Mortgage Charge-Off

If None selected: Proceed to next screen 5.4

If Foreclosure selected: Prompt 2 will appear

If Pre-foreclosure/short sale/ Deed in lieu is selected: Prompt 3 will appear

If Mortgage Charge-off is selected: Prompt 4 will appear.

Pop up window required for derogatory event selected to add account number and name and click on the continue button.

Prompt 2:

Check if we have any documents available in file to validate the property associated with the mortgage?

- Yes
- No

If Yes: Proceed to Prompt 2a

If No: Condition appears as per Branch 4 of decision logic A

Prompt 2a:

What documents are available in file? (Select all that apply)

- ❑ Trustee's deed
- ❑ Property Profile

If Trustee's deed is selected (operator to select the account number/name from dropdown for which account is foreclosed): Prompt 2b will appear

If Property profile is selected (operator to select the account number/name from dropdown for which profile is selected); Prompt 2c will appear

If None selected: Alert appears as per Branch 5 and alert will have the the option to escalate it to management review and can proceed to next prompt based on field selected in Prompt 1. (If multiple selected then the respective prompt will appear for Pre-foreclosure or Mortgage charge off. If only foreclosure is selected, then next screen will appear i.e 5.4)

Once selected; respective checklist will get popped out for operator to validate:

Prompt 2b:

If Trustee's deed is available:

- ❑ Party name i.e lender name does not match tradeline hence clarification is required
- ❑ Property addresses is not available.
- ❑ High Balance on tradeline does not match the amount mentioned on trustee's deed.
- ❑ Document is not executed/notarized (if applicable)
- ❑ Disposition / recording / transfer date is not clearly identifiable

Prompt 2c:

If Property profile is available:

- ❑ Party name i.e lender name does not match tradeline
- ❑ Property addresses is not available.
- ❑ High Balance on tradeline does not match the amount mentioned on property profile as mortgage amount/loan amount.
- ❑ Disposition / recording / transfer date not clearly identifiable

If the checklist is not filled and clicked on the continue button → Proceed to the prompt 2d

If the checklist is filled for any discrepancy and click on continue button→ Condition appears as per Branch 2 for decision logic A **(Account number/name updated against prompt 1 Foreclosure account should reflect in the dropdown and operator will select the account for which condition is required)** and Proceed to the next prompt.

Prompt 2d:

From the available document, has the waiting period of 7 years met?

- Yes

- No

If Yes: Proceed to Prompt 3 and 4 sequentially if multiple options are selected in prompt 1 else proceed to next screen 5.4

If No: Condition appears as per Branch 3 for decision logic A and Proceed to Prompt 3 and 4 sequentially if multiple options are selected in prompt 1 else proceed to next screen 5.4

Prompt 3:

Check if we have any documents available in file to validate the property associated with the mortgage?

- Yes
- No

If Yes: Proceed to Prompt 3a

If No: Condition appears as per Branch 4 for decision logic B

Prompt 3a:

What documents are available in file? (Select all that apply)

- ❑ Short Sale Approval Letter
- ❑ Settlement Statement (HUD-1 / Closing Disclosure)
- ❑ Property Profile

If Short sale approval letter is selected (operator to select the account number/name from dropdown for which account is foreclosed): Prompt 3b will appear

If Settlement statement (HUD1/Closing disclosure) is selected (operator to select the account number/name from dropdown for which account is foreclosed): Prompt 3c will appear

If Property profile is selected (operator to select the account number/name from dropdown for which profile is selected); Prompt 3d will appear

If None selected: Alert appears as per Branch 5 for decision logic B and alert will have the option to escalate it to management review and can proceed to next prompt based on field selected in Prompt 1. (If multiple selected then the respective prompt will appear for Pre-foreclosure or Mortgage charge off. If only foreclosure is selected, then next screen will appear i.e 5.4)

Prompt 3b:

If Short Sale Approval letter is available:

- ❑ Party name i.e lender name on short sale letter do not match tradeline
- ❑ Property addresses is not available.
- ❑ Document is not executed/notarized (if applicable)
- ❑ Short sale / recording / transfer date not clearly identifiable

Prompt 3c:

If settlement Statement (HUD-1 / Closing Disclosure) is available:

- ❑ Party name i.e lender name on closing disclosure on seller side does not match tradeline
- ❑ Property addresses is not available.
- ❑ Document is not executed (if applicable)
- ❑ Disposition/ closing date not clearly identifiable

Prompt 3d:

If Property profile is available:

- ❑ Party name i.e lender name does not match tradeline
- ❑ Property addresses is not available.
- ❑ Disposition / recording / transfer date not clearly identifiable

If the checklist is not filled and clicked on the continue button → Proceed to the prompt 4e

If the checklist is filled for any discrepancy and click on continue button→ Condition appears as per Branch 2 for decision logic B **(Account number/name updated against prompt 1 Pre-Foreclosure account should reflect in the dropdown and operator will select the account for which condition is required)**

Prompt 3e:

From the available document, has the waiting period of 4 years met?

- Yes
- No

If Yes: Proceed to Prompt 4 if multiple options are selected in prompt 1 else proceed to next screen 5.4

If No: Condition appears as per Branch 3 for decision logic B and Proceed to Prompt 4 if multiple options are selected in prompt 1 else proceed to next screen 5.4

Prompt 4:

Check if we have any documents available in file to validate the property associated with the mortgage?

- Yes
- No

If Yes: Proceed to Prompt 4a

If No: Condition appears as per Branch 4 for decision logic C

Prompt 4a:

What documents are available in file? (Select all that apply)

- ❑ Cancellation of debt
- ❑ Lender Letter Confirming disposition

If Cancellation of debt is selected (operator to select the account number/name from dropdown for which mortgage is cancelled): Prompt 4b will appear

If Lender letter confirming disposition is selected (operator to select the account number/name from dropdown for which account is cancelled): Prompt 4c will appear

If None selected: Alert appears as per Branch 5 for decision logic C and alert will have the option to escalate it to management review and can proceed to next prompt based on field selected in Prompt 1. (If multiple selected then the respective prompt will appear for foreclosure or Pre-foreclosure. If only mortgage charge off is selected, then next screen will appear i.e 5.4)

Prompt 4b:

If Cancellation of debt is available:

- ❑ Party name i.e creditor name and account number on 1099-C does not matches tradeline
- ❑ Property addresses are not available.
- ❑ Date of identifiable event not clearly identifiable
- ❑ Debt Description does not reflect Mortgage

Prompt 4c:

If lender letter confirming disposition is available:

- ❑ Party name i.e lender name on document available does not matches tradeline
- ❑ Property addresses is not available.
- ❑ Document is not executed/notarized (if applicable)
- ❑ Recording / transfer date not clearly identifiable
- ❑ No information provided for Debt cancelled account.

If the checklist is not filled and clicked on the continue button → Proceed to the prompt 4d

If the checklist is filled for any discrepancy and click on continue button→ Condition appears as per Branch 2 for decision logic C **(Account number/name updated against prompt 1 Pre-Foreclosure account should reflect in the dropdown and operator will select the account for which condition is required)**

Prompt 4d:

From the available document, has the waiting period of 4 years met?

- Yes
- No

If Yes: Proceed to next screen 5.4 as all options in prompt 1 are answered.

If No: Condition appears as per Branch 3 for decision logic C and proceed to next screen 5.4 s all option in prompt 1 are answered.

Screen 4— 5.4 Tax Lien Handling (Released & Not Released)

Title:

Tax Lien Handling (Released & Not Released)

Global Banner (still visible)

- Application Date
- Estimated Closing Date
- Active Credit Report: CR-X
- Borrower Slot: B1 / B2

Prompt 1:

Does Credit Report/Lien and judgment reflect Tax lien ?

- Yes
- No

If Yes: Proceed to Prompt 2

If No: Move to Screen 5 (5.5)

Prompt 2:

Is the tax lien released or not released?

- ❑ Released
- ❑ Not Released

If Released: Operator will get an option to update Creditor name, Case# and released date Proceed to Prompt 2a

If Not Released: Operator will get an option to update Creditor name, Case# and Proceed to Prompt 3

If both are selected, then respective prompts will appear sequentially.

Prompt 2a:

Is the release date before the application date?

- Yes
- No

If Yes: Proceed to screen 5 (5.5)

If No : Proceed to prompt 2b

Prompt 2b:

Has the borrower provided documents in file to verify the source of funds used to pay tax lien?

- Yes
- No

If Yes: Prompt 2c will appear

If No : Condition 2 appears as per branch A3 for decision logic A

Prompt 2c:

What document has been received? (Select all that apply)

- ❑ Bank statement
- ❑ Cancelled check/cashier's check
- ❑ Gift letter

If Bank statement is selected: Prompt 2d will appear

If Cancelled check/cashier's check is selected: Prompt 2e will appear

If gift letter is selected: Prompt 2f will appear

Prompt 2d:

If Bank statement is available:

- ❑ Bank statement provided does not reflect borrower's name hence it will be treated as Gift and Gift letter is not available.
- ❑ Bank statement provided reflects withdrawal towards the creditor however amount does not match exactly with the one reflected on credit report
- ❑ Bak statement provided reflects withdrawal which matches with the amount mentioned on credit report but description does not reflect creditor name.
- ❑ Bank statement provided is for borrower and reflects large deposit just before paying off the tax lien and no other documents available in file to source the large deposit.
- ❑ Bank statement provided is for borrower and reflects undisclosed withdrawal which cannot be identified on credit report and hence clarification is required.

Prompt 2e:

If Cancelled Check/cashier's check is available:

- ❑ Check available in file does not reflect payee name matching with creditor name.
- ❑ The amount on check is different than the amount mentioned in credit report against tax lien.
- ❑ The check provided reflects payor name different than the borrower's name which is considered a gift; however, gift documents are missing in file.

- ❑ Cashier's check provided with amount and creditor name matching however, bank statement reflecting withdrawal is missing.

Prompt 2f:

If Gift letter is available:

- ❑ Gift letter provided is not executed.
- ❑ Donor name on gift letter does not match with the check/bank statement available.
- ❑ Gift letter is not completely filled.

If the checklist is not filled and clicked on the continue button → Proceed to the prompt 3

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch A3 for decision logic A **(Account number/name updated against prompt 2 should reflect in the dropdown and operator will select the account for which condition is required)**

Prompt 3:

Has any other supporting document reflecting tax lien has been paid off and released provided by borrower?

- **Yes**
- **No**

If Yes: prompt 3a will appear

If No: prompt 4 will appear

Prompt 3a:

What document has been received? (Select all that apply)

- ❑ Letter from creditor
- ❑ Bank statement
- ❑ Cancelled check/cashier's check
- ❑ Gift letter

If Letter from creditor is selected: Prompt 3b will appear

If Bank statement is selected: Prompt 3c will appear

If Cancelled check/cashier's check is selected: Prompt 3d will appear

If gift letter is selected: Prompt 3e will appear

Prompt 3b:

If letter from creditor is available:

- ❑ Letter from creditor does not reflect case number matching with the one reflected on credit report
- ❑ Letter from creditor does not reflect creditor name matching with the one reflected on credit report
- ❑ Letter from creditor reflects pending amount matching with the one reflected on credit report and the same is not acceptable as it should reflect $0 balance.
- ❑ Letter from creditor is expired and not latest.
- ❑ Letter from creditor is available reflecting tax lien is released however complete source of funds used to pay off the lien is not available.

Prompt 3c:

If Bank statement is available:

- ❑ Bank statement provided does not reflect borrower's name hence it will be treated as Gift and Gift letter is not available.
- ❑ Bank statement provided reflects withdrawal towards the creditor however amount does not match exactly with the one reflected on credit report
- ❑ Bak statement provided reflects withdrawal which matches with the amount mentioned on credit report but description does not reflect creditor name.
- ❑ Bank statement provided is for borrower and reflects large deposit just before paying off the tax lien and no other documents available in file to source the large deposit.
- ❑ Bank statement provided is for borrower and reflects undisclosed withdrawal which cannot be identified on credit report and hence clarification is required.
- ❑ Bank statement provided reflects withdrawal towards the creditor and amount matches exactly with the one reflected on credit report however letter from creditor reflecting tax lien is released has not been received.

Prompt 3d:

If Cancelled Check/cashier's check is available:

- ❑ Check available in file does not reflect payee name matching with creditor name.
- ❑ The amount on check is different than the amount mentioned in credit report against tax lien.
- ❑ The check provided reflects payor name different than the borrower's name which is considered a gift; however, gift documents are missing in file.
- ❑ Cashier's check provided with amount and creditor name matching however, bank statement reflecting withdrawal is missing.
- ❑ Cancelled check/cashier's check provided reflects payment to the creditor and amount matches exactly with the one reflected on credit report however letter from creditor reflecting tax lien is released has not been received.

Prompt 3e:

If Gift letter is available:

- ❑ Gift letter provided is not executed.
- ❑ Donor name on gift letter does not match with the check/bank statement available.
- ❑ Gift letter is not completely filled.
- ❑ Only gift letter is provided however, bank statement/check reflecting payment made to the creditor is not available.

- ❑ Only gift letter is provided long with the bank statement/check reflecting payment made to the creditor however, letter from creditor reflecting tax lien is released is not available.

If the checklist is not filled and clicked on the continue button → Proceed to the prompt 4 (if multiple tax liens are reported against prompt 2)

If the checklist is filled for any discrepancy and click on continue button→ Condition appears as per Branch B2 for decision logic B **(Account number/name updated against prompt 2 should reflect in the dropdown and operator will select the account for which condition is required)**

Prompt 4:

Is LOS updated for tax lien being paid off at closing?

- Yes
- No

If No: Condition appears as per Branch B1 for decision logic B

If yes: Prompt 4a will appear

Prompt 4a:

Do we have payoff in file for tax liens getting paid off at closing?

- Yes
- No

If Yes: Prompt 4b will appear

If No: Condition appears as per Branch B6 for decision logic B

Prompt 4b:

Validate the checkpoint to review payoff and select all that apply:

- ❑ Payoff statement provided different case number.
- ❑ Payoff statement provided different creditor name
- ❑ Payoff statement is for different borrower.
- ❑ Payoff statement provided is not the latest copy.
- ❑ Payoff statement provided does not reflect payoff amount.

If the checklist is not filled and clicked on the continue button → Proceed to the screen 5.5

If the checklist is filled for any discrepancy and click on continue button→ Condition appears as per Branch B7 for decision logic B **(Account number/name updated against prompt 2 should reflect in the dropdown and operator will select the account for which condition is required)**

Screen 5- 5.5 Judgment Handling (Released & Not Released)

Title:

Judgment Handling (Released & Not Released)

Global Banner (still visible)

- Application Date
- Estimated Closing Date
- Active Credit Report: CR-X
- Borrower Slot: B1 / B2

Prompt 1:

Does Credit Report/lien and Judgment Report Reflect Judgment?

- Yes
- No

If Yes: Proceed to Prompt 2

If No: Move to section 1 if multiple credit report is available else move to final screen.

Prompt 2:

Is the Judgment released or not released?

- ❑ Released
- ❑ Not Released

If Released: Operator will get an option to update Creditor name, Case# and released date Proceed to Prompt 2a

If Not Released: Operator will get an option to update Creditor name, Case# and Proceed to Prompt 3

If both are selected, then respective prompts will appear sequentially.

Prompt 2a:

Is the release date before the application date?

- Yes
- No

If Yes: Move to section 1 if multiple credit report is available else move to final screen

If No : Proceed to prompt 2b

Prompt 2b:

Has the borrower provided documents in file to verify the source of funds used to pay Judgment?

- Yes
- No

If Yes: Prompt 2c will appear

If No : Condition 2 appears as per branch A3 for decision logic A

Prompt 2c:

What document has been received? (Select all that apply)

- ❑ Bank statement
- ❑ Cancelled check/cashier's check
- ❑ Gift letter

If Bank statement is selected: Prompt 2d will appear

If Cancelled check/cashier's check is selected: Prompt 2e will appear

If gift letter is selected: Prompt 2f will appear

Prompt 2d:

If Bank statement is available:

- ❑ Bank statement provided does not reflect borrower's name hence it will be treated as Gift and Gift letter is not available.
- ❑ Bank statement provided reflects withdrawal towards the creditor however amount does not match exactly with the one reflected on credit report
- ❑ Bak statement provided reflects withdrawal which matches with the amount mentioned on credit report but description does not reflect creditor name.
- ❑ Bank statement provided is for borrower and reflects large deposit just before paying off the judgment and no other documents available in file to source the large deposit.
- ❑ Bank statement provided is for borrower and reflects undisclosed withdrawal which cannot be identified on credit report and hence clarification is required.

Prompt 2e:

If Cancelled Check/cashier's check is available:

- ❑ Check available in file does not reflect payee name matching with creditor name.
- ❑ The amount on check is different than the amount mentioned in credit report against judgment.

- ❑ The check provided reflects payor name different than the borrower's name which is considered a gift; however, gift documents are missing in file.
- ❑ Cashier's check provided with amount and creditor name matching however, bank statement reflecting withdrawal is missing.

Prompt 2f:

If Gift letter is available:

- ❑ Gift letter provided is not executed.
- ❑ Donor name on gift letter does not match with the check/bank statement available.
- ❑ Gift letter is not completely filled.

If the checklist is not filled and clicked on the continue button → Proceed to the prompt 3

If the checklist is filled for any discrepancy and click on continue button→ Condition 1 appears as per Branch A3 for decision logic A **(Account number/name updated against prompt 2 should reflect in the dropdown and operator will select the account for which condition is required)**

Prompt 3:

Has any other supporting document reflecting tax lien has been paid off and released provided by borrower?

- **Yes**
- **No**

If Yes: prompt 3a will appear

If No: prompt 4 will appear

Prompt 3a:

What document has been received? (Select all that apply)

- ❑ Letter from creditor
- ❑ Bank statement
- ❑ Cancelled check/cashier's check
- ❑ Gift letter

If Letter from creditor is selected: Prompt 3b will appear

If Cancelled check/cashier's check is selected: Prompt 3d will appear

If gift letter is selected: Prompt 3e will appear

Prompt 3b:

If letter from creditor is available:

- ❑ Letter from creditor does not reflect case number matching with the one reflected on credit report
- ❑ Letter from creditor does not reflect creditor name matching with the one reflected on credit report
- ❑ Letter from creditor reflects pending amount matching with the one reflected on credit report and the same is not acceptable as it should reflect $0 balance.
- ❑ Letter from creditor is expired and not latest.
- ❑ Letter from creditor is available reflecting judgment is released however complete source of funds used to pay off the lien is not available.

Prompt 3c:

If Bank statement is available:

- ❑ Bank statement provided does not reflect borrower's name hence it will be treated as Gift and Gift letter is not available.
- ❑ Bank statement provided reflects withdrawal towards the creditor however amount does not match exactly with the one reflected on credit report
- ❑ Bak statement provided reflects withdrawal which matches with the amount mentioned on credit report but description does not reflect creditor name.
- ❑ Bank statement provided is for borrower and reflects large deposit just before paying off the Judgment and no other documents available in file to source the large deposit.
- ❑ Bank statement provided is for borrower and reflects undisclosed withdrawal which cannot be identified on credit report and hence clarification is required.
- ❑ Bank statement provided reflects withdrawal towards the creditor and amount matches exactly with the one reflected on credit report however letter from creditor reflecting judgment is released has not been received.

Prompt 3d:

If Cancelled Check/cashier's check is available:

- ❑ Check available in file does not reflect payee name matching with creditor name.
- ❑ The amount on check is different than the amount mentioned in credit report against Judgment .
- ❑ The check provided reflects payor name different than the borrower's name which is considered a gift; however, gift documents are missing in file.
- ❑ Cashier's check provided with amount and creditor name matching however, bank statement reflecting withdrawal is missing.
- ❑ Cancelled check/cashier's check provided reflects payment to the creditor and amount matches exactly with the one reflected on credit report however letter from creditor reflecting judgment is released has not been received.

Prompt 3e:

If Gift letter is available:

- ❑ Gift letter provided is not executed.
- ❑ Donor name on gift letter does not match with the check/bank statement available.
- ❑ Gift letter is not completely filled.

- ❑ Only gift letter is provided however, bank statement/check reflecting payment made to the creditor is not available.
- ❑ Only gift letter is provided long with the bank statement/check reflecting payment made to the creditor however, letter from creditor reflecting tax lien is released is not available.

If the checklist is not filled and clicked on the continue button → Proceed to the prompt 4 (if multiple judgment is reported against prompt 2)
